THINGS TO BE CARED FOR AND BROUGHT ON YOU

Turkey is a very modern Islamic country. You may just have fun and go around as in any European country when you are in Turkey. Only a few things to pay attention for such as entering into a Mosque with an alcoholic beverage in hand. Women should be carefully head-covered when in a holy environment. Rest is pretty much the same as in any western city. Bars, cafes and restaurants are open until late nights and people get entertained safely. We suggest for you have the items listed below.

- 1- Travel Insurance that covers health as well.
- 2- Globally recognized credit cards
- 3- Cash needed for small purchases where cards are not accepted. It is best to use an official exchange office for Turkish currency transactions.
- 4- Clothing in line with seasonal standards as indicated above.
