# 8 Day Bodrum Gokova Cabin Cruise

Bodrum is the starting and end point of this amazing Turkish gulet blue cruise adventure. It is a fantastic location with many cultural and historical sites for you to lose yourself in, and one of the best places for nightlife and shopping in Turkey. This weeklong cruise from Bodrum and around its peninsulas and then back into Bodrum is a week of pure relaxation, sunning, swimming and seeing some spectacular sights. You will get to travel out of Bodrum to visit ruins of a Byzantine village, get to snorkel at English Harbour to see if you can find any of the English warships that lie beneath the sea and to also visit the serene Cleopatra beach. These are just a few of the gems along the way. You also travel to other astonishing places that are not commonly known by many other travellers, which our crew will explain and explore with you. Apart from your relaxing time you will also have the chance to get involved in every water sport activity ever invented or you may choose to continue to just lie in the sun with your book. There is plenty of time for both exploration and relaxation over these 8 days. Your standard Turkish gulet will take you around through to Gokova and then back into Bodrum. This region is very popular along this coastline so you will get to admire the other beautiful sailing yachts out on the water at the same time. Your Turkish gulet will offer you your own cabin as twin or double share and there is always plenty of space on deck for you all to find your own little special corner to get your relax and quiet time. Bodrum is capital for Gulet cruises in Turkey and very popular spot to start your blue cruise.
