A visit to Ephesus - once the commercial center of the ancient world - is a highlight of any visit to Turkey. The city, whose wealth and patronage supported its splendid architectural program, was dedicated to the goddess Artemis. Her enormous temple, once considered one of the seven wonders of the Ancient World and rebuilt several times, dates in its latest form from the third century B.C. The tour of the ruins also includes a theatre, gymnasium, agora and baths, as well as the Library of Celsus. The rest of the day is yours. Dinner and overnight in Kusadasi.

If you want to escape the heat of shore of Mediterranean, then we will bring you to the best places in the cool mountains. SUV SAFARI is one of the most marvellous adrenalin voyages towards Taurus mountain to discover the real beauty of Turkey. The safari really goes through an exciting route of winding roads, a few narrow unsurfaced roads where 2 vehicles cannot easily pass each other. The road passes through dense pine forests, the trees soaring up 20 meters. Road hazards include flocks of sheep and traditionally dressed village women. After the dirty & dusty trail the refreshing dip in the local waterfall hidden amongst the trees is well worth the walk up the hill - as you jump into the crystal cool waters of 'Selale' feel the grime just wash away.
