## ITINERARY

### Day 1 : DAILY AMASYA TURKISH BATH HAMAM TOUR

#### Lunch Included

Turkish Bath, called hamam in Turkish, has been present in Turkey for thousands of years. The tradition of the Turkish bath extends far back, to a time before Turks had reached Anatolia.

When the Turks arrived in Anatolia, they brought with them one bathing tradition and were confronted with another, that of Romans and Byzantines, with certain local variants. There are few main procedures during the bath. When you arrive, the staff will provide you a cubicle in which you take off your clothes and wear the loin cloth.

After changing, you will be taken to the Sicaklik (Hot Room) of the Turkish Bath in which help your muscles loosen up, you will go to the warm room of the bath, the staff (tellak for men and natir for women) will scrub you down using Turkish soap and a special cloth that gets out all your old skin blocking your pores.

Once you are finished, you will be taken to the Sogukluk (Cold Room) and give you towels to wrap yourself in. Then you can pay for having a massage or you can just relax and order some tea or other drinks. At last, after you get dressed, you will feel your skin is renewed like baby skin. That's the magic of Turkish bath.

We hope your tour was a memorable one and we would like to see you in the future in one of our tours again. Have a nice trip back home and thanks for choosing us.
