## ITINERARY

### Day 1 : DAILY AMASYA CITY TOUR

#### Lunch Included

We will pick you up from your hotel. We will drive to Amasya which will take about four hours. Amasya is one of the cities that has both natural and historical values. It is located in a narrow cleft of the Yesilirmak river, with a history of 3000 years where many civilizations left priceless remains of their times. The ruins of the citadel on the rock face of the cleft shelters 2000 year old water-channels, 1000 year old bridges, an ancient mental hospital, an Ottoman Palace and a secret underground passage way. The museums of this historical city contain cultural treasures, remained from many civilizations.

Amasya is endowed with historical and cultural opulence, and the city is also very rich of natural beauties; thermal springs around Amasya are very famous. Amasya Yaliboyu Houses are the best instances of Ottoman architecture. These buildings usually have two storeys and they are now being restored by a foundation called AKTAV. (The Foundation of Protecting Cultural and Natural wealth). Amasya is also famous for its apples, cherries, peaches and okra. If you would like to enjoy the beautiful nature with the city's deeply rooted cultural tradition, then Amasya is one of the most exciting places for you.

Afterwards, you will visit the Tombs of Pontus Kings carved into rocks over the valley and traditional Ottoman Houses by the Yesilirmak River. Aynali Cave is the best decorated one among the Tombs of Kings. After the end of the tour, return back to hotel.

We hope your tour was a memorable one and we would like to see you in the future in one of our tours again. Have a nice trip back home and thanks for choosing us.
