ITINERARY

Day 1 : DAILY RAFTING IN CANYON AND ZIPLINE ADVENTURE TOUR

Meet with our staff. Depart from Antalya for a full day of outdoor activities in Koprulu Canyon. Zip down the Koprucay River while whitewater rafting, fly through the air on a zipline course, and visit the canyon in an all scenic section. Instruction, use of equipment and hotel pickup and drop-off are included for a comprehensive day of active fun. Go rafting and zip lining in a beautiful part of Turkey which is ideal for people who enjoy active tours. Explore the mountains from Antalya. See the canyon and river from different perspectives.

After about 2 hours of driving, we will arrive to the Koprulu Canyon. At first, you will get a safety briefing and instructions before your unforgettable and once-in-a-lifetime experience will start. During the day, you will experience 2 very different canyons: a narrow warm water canyon surrounded by sheer rock cliffs and a wide cold water canyon of forested cliffs and natural waterfalls. Stop several times to swim and dive into crystal clear water, enjoy natural water slides, along with other fun attractions. Play with gravity and experience an amazing zip line across the canyon. Head out onto the waters of the Koprucay River to raft the rapids of the 14-kilometer canyon, where the 2nd-century Oluk Bridge towers 27 meters high, lending even more drama to the backdrop of your rafting experience.

After the tour, transfer back Airport or hotel. We hope your tour was a memorable one and we look forward to seeing you in the future on another Turkey Tour. Have a safe trip back home and thanks for choosing us.
