Day 1 : DAILY ORMANA VILLAGE & GOLDEN CRADLE CAVERN TOUR

Welcome to Turkey. Meet with our staff. Get picked up from the hotel between 08:30 and 09:00 and drive away from the resort up to the Taurus mountains. This tour is conducted in a comfortable air-conditioned minibus and accompanied by a professional local guide. First stop at Avasun village located at 900 meters above sea level. This place is also called a village of bay leaves. Continue to altitude of 1200 metres and stop for a stunning view over the Green Canyon and Green Lake.

On arrival to the second village, called Urunlu, learn about the history of unique button houses. These old buildings give a special charm and authenticity to the area. Enjoy a 30 minute tea/coffee break at a traditional house before the adventure part of the excursion. Visit the Altinbesik Cave National Park and its main attraction - the Golden Cradle Cavern. It can be visited from the first level by boat. So get ready for an exciting boat ride on a subterranean lake, the largest one in Turkey. Amazing cave formations (stalagmites, stalactites) can be seen.

Next place to visit is Ormana village, also famous for its button houses and unspoiled nature. Enjoy delicious lunch at a local restaurant. You can choose cooked chicken or baked fish, all drinks extra. Continue to Sarihacilar Village, a village on the Silk Road. This is a place has more than 800 years of history. Visit a traditional village house and a 650 years old Ottoman mosque. Your exciting tour to the heart of Taurus ends with a hotel drop-off. Approximate time of arrival is 17:00.
