We pick you up from your hotel in Cesme.

Not just a great way to unwind and get a good suntan, but you will also visit untouched Islands, secret coves and beaches surrounded by clear sea and beautiful views.

Stopping at various intervals you are free to get off or dive into the cool waters, the sea is so crystal clear you can see all the way to the bottom of the ocean floor.

Take time to swim or snorkel in these magnificent waters, or just lie back and soak up the sun on the top deck. Information about these spectacular Islands and sights will be given by the guide.

The bottom deck of the boat where you can sit to cool off or to take a rest from the piercing sun, is also where you will be treated to a lunch freshly cooked on board and served by the crew. A day that will be enjoyed by everyone.
