ITINERARY

Day 1 : DAILY PRINCES ISLAND TOUR ISTANBUL

Lunch Included

Take a leisurely 28 kilometers cruise through the Sea of Marmara to the unspoiled charms of Buyukada. The largest of the Prince's Islands, Buyukada boasts lush foliage, pine forests, turn of the century wooden mansions and incomparable views of Istanbul. Best of all, cars are banned, so you travel by horse- drawn carriage. If you feel the need to escape from the bustle of Istanbul for a day, nothing could be easier. You simply join us aboard a ferry bound for the charming Princes Islands.

Our destination is Buyukada, the largest of the island chain, but we will pass by four other islands on the way. All are famous for their mild climates, lush vegetation and ornate Ottoman houses, and on all of them cars are banned. The preferred means of transportation is the charming horse- drawn carriage known as the phaeton, which we will use on our circular tour of Buyukada, passing elegant mansions draped in brilliant purple bougainvillea.

You will feel as though you have stepped back into a more leisured and gracious age, almost expecting grand 19th century ladies and gentlemen to come strolling down to the waterfront on an afternoon promenade.

Evening return to Istanbul and transfer to your hotel. Also visioned during the tour: Topkapi Palace, Leander's Tower, Uskudar from the sea.

Thank you for choosing us and we hope you have a memorable time in Turkey. We look forward to seeing you in the future on another adventure with us.
